LIST OF ABBREVIATIONS

Abbreviation	Definition
DPO	Data Protection Officer
GDPR	General Data Protection Regulation

Executive Summary

This deliverable addresses the following ethics requirements:

- » Confirmation that the host institution has appointed a Data Protection Officer (DPO) and contact details of the DPO which will be made available to all data subjects involved in the research
- » DPO's relevant competencies
- » Detailed Data Protection Policy for host institutions not required to appoint a DPO under GDPR
- » Explanation of how all the data which is planned to be processed is relevant and limited to the purposes of the research in accordance with the data minimisation principle
- » Description of technical and organisational measures that will be implemented to safeguard the rights and freedoms of the data subjects/research participants
- » Description of the security measures that will be implemented to prevent unauthorised access to personal data or the equipment used for processing
- » Description of the anonymisation/pseudonymisation techniques that will be implemented
