Executive Summary

D8.7 addresses the ethics requirement No. 8 included in work package 8: The envisaged independent Ethics Advisor and Ethics Advisory Board (EAB) must be appointed at the beginning to monitor the ethics issues involved in this project and how they are handled. The Advisor and Board must be consulted and fully involved in the overall ethics monitoring of the project, and, in particular, in data collection and protection, in the drafting of the unexpected/incidental findings policy, and in the monitoring of the overall ethics compliance of the final tool. The relevant competencies of the Advisor and of the members of the EAB must be submitted as a deliverable.
